

WASHINGTON STATE UNIVERSITY

TRI-CITIES

EARLY OUTREACH

*Preparing students to enter and
succeed in higher education.*

DID YOU KNOW?

That a student who successfully completes algebra in the 8th grade is more likely to go to college?

That a student who successfully completes advanced algebra is more likely to graduate?

That every year students do not take the right courses to be accepted into college?

That many students have to take remedial Math and English classes in college?

GEAR UP 

can help YOU!
